None

Priority Incidents

1 Boundary ID-SCF T2 IMT, GB Team 5, Marty Adell Report Out: Marty Adell	<ul style="list-style-type: none"> • 80,053 (combined) acres /58% Complete/ 294 People/ \$7.5M Cost to Date • 209 Changes: Fire growth of 246 acres and 1% increased completion. • Synopsis: Fire is located 24 mi. NW of Stanley, ID. Planned transition to a T3 IMT (IC Jace James) on Sunday. Observed increased fire activity. • Political ongoing issues: Most political issues have been mitigated. Stakeholders consists of the residences at Sulphur and Morgan Ranch, Boundary Creek Guard Station and Boat Launch, river recreation, hunters in the area, and 2 private structures lost. • Closures: Boundary Creek roads to area ranches, Seafoam Bubble, and Forest and River closures (to be reevaluated daily) and expanded Boise National Forest closure area being evaluated. Reduction of closure area as hunting season starts within a week for the Frank Church Wilderness area and along the SW perimeter. • Injuries/Accidents: None • Safety Issues: Possible rollouts, aviation encounters, weather, and COVID. Had a Positive COVID exposure. The group of three were tested and released home. • Critical Needs: AOB • Available Resources: Released resources are timing out along with right sizing the organization for the next team.
---	--

	 An aerial photograph of a valley, outlined by a dashed white line. The word "Valley" is written in the top right corner. Numerous yellow circular markers are scattered throughout the valley, with several red circular markers interspersed among them. A single blue triangular marker is located on the left side of the valley. The terrain is rugged and brownish, suggesting a dry or mountainous area.
